It's been a long time - thirteen years to be exact.

Thirteen years of studying, learning, working, and playing.

All this so we could one day say: "IT'S OUR TIME."

Our time to go into the world and become someone looked upon as a mature young man or woman.

Yes — it's been a long time.

But, let's not forget: we had help.

If it weren't for the people who dedicated their time, it would have taken us more than thirteen years.

So - to all those who helped us succeed in our thirteen years - teachers, coachers, cafeteria workers, and our parents - we, the Class of 1968, dedicate this book.

It is our way of saying "thanks" for all you've done.

We're very grateful.

IN MEMORIAM

ALAN C. TURNBULL

We remember, with sadness, Alan C. Turnbull — a man who made Central High School an important part of his life. He taught in our Industrial Arts Department with enthusiam and dedication for thirty years. A warm and friendly person — ever cheerful in his outlook toward life — he made many friends and influenced many people.

We will always remember him as a teacher, a counselor, and a friend.

AND NOW, THIS TIME HAS STOPPED.

I think of time as it was then something of the least importance when I was young.

When I was young and had but a vague idea of right and wrong, I thought not much of time for it was merely a fourlettered word belonging to adults.

When I was young, time was an infinite supply of joy, wonder, and discovery. Time evaded me in its vastness and invisible solidity — when I was young.

When I was young,
I lived beyond my environment—
I dwelt in a world of fantasy
(Age and experience force one to face the bitterness of reality.)
Time was joyous and time was painful.

Now, after so much time has elapsed, it's still the deciding factor in my life.

How I am young
when I realize the universe in all
its actuality of all that is.

How I am young
when I realize the seemingly endless
path of joy, grief, pain, and
discovery before me — until death.
Perhaps I'll miss a good deal of
possible experiences; may Fate have
mercy — whatever!

How I am young as I am the heart of my future, the seed of my accomplishments.

The first step has been taken with all of my sincerity, I thank each and every person responsible.

And now, this time has stopped — today, this very moment, now

IN OUR TIME

The time we spent at Central
In our minds will always be clear,
Because good or bad, happy or sad,
To us it will forever be very dear.
Every day new experiences;
Something to be gained each day;
And whenever the tasks seemed impossible—
A helping hand was there to guide the way.
A time to work — a time to play —
A time to be serious — a time to be gay;
Worrying about the mark we made on the test yesterday,
Relieved to find our efforts rewarded with an "A".
Yes, our time —
The memories will remain in our heart.
But anticipation of better times awaiting
Exceeds the sorrow in our having to part.

Gloria Blanford

TIME

You can't see it, Nor feel it; But it's passing away. In every minute-In every hour, And surely, day by day. Slowly like a mist, Rapidly as a flowing stream, Time's constantly moving on and on. Hold on to it! Grab on to it! For time will soon be gone! Your time Is your own time; Do the best you can. It's your chance— Your challenge; Time is moving, MAN! Through the years, through the ages,

Through the years,
through the ages,
Time has changed a lot:
The people—
The jobs—
Just how far have you got?
Time is full of joy
And also full of tears
Sometimes good and sometimes bad.
But, it's your time,
And my time;
Make this the best time we'll ever have.

Julia Barnes

OUR TIME

If time stood still,
where would we be?
Perhaps still on a freshman spree.
Our times were the time of our lives:
The happy times—the sad times—the times of distress;
The loveable times, the enjoyable times, the times of togetherness.
To our knowledge, time did not stand still,
For the time has now come
For us to leave our "castle on the hill."

Priscilla Wilson

THE PASSING OF TIME

We look upon our school days, When times were so very sweet. But now, as time takes us further in life, We pinch to make ends meet. As time goes by, many changes will come And we've a lot to see yet. But the good times spent at Central High Are the times we'll never forget.

Football

Mr. William V. Mallory, Coach

This year, our football team has provided the students, as well as the faculty, with something extra to converse about.

We actually took the City Championship away from Barringer, always a title contender. They finished second behind Weequahic in the City League. We defeated Barringer, 8-6. The eight points were supplied by Arthur Lockett, whose tackle in the end zone for a safety gave the Blue Devils two points. Willis Cooper picked up a loose fumble and scampered into the end zone for the winning margin. Barringer, incidentally tied the number one team in the state, East Orange. Outstanding young men for this year's squad include: Levi Drakeford, Eugene Scott, Arthur Lockett, and Sylvester Waters. These boys received recognition on the All-City teams. Prominent seniors include the above-named plus William Wilson, Ed Gandy, Louis Shaw, Dana Spinks, Mike Henry, Theodore Byers, Eddie Felton, and Charles McNabb. The quarterbacking

Eddie Gandy

Willis Cooper

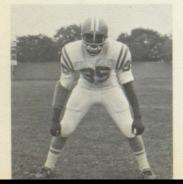

job was shared by three boys: Barry Benson, Barry Hardaway, and Roger McCrae. These boys will vie for the job next year.

Coach Bill Mallory has apparently instilled a winning attitude into the boys. It obviously has paid off handsomely. In his first year, Coach Mallory has done the one thing thought impossible: he stole the City League Championship away from Barringer. He and his team battled South Side, a perennial football power, to a scoreless duel. Coach Mallory, a former All-Stater at Summit High, has visited football clinics. He is formulating a formidable team for the coming season. He will try to make a 1-6-1 team (last year's record) into a contender. He will count on such boys as Bruce Morgan, Carl Hodges, Donald Summers, Frank Bridges, and George Worsley. He will also have boys from the J.V. to contribute to a winning season.

We wish Coach Mallory all the success in his effort to convert Central into a City League power.

Soccer

Mr. E. Smith, Coach

Central's Soccer Team this year was very successful. Although we did not win all the games played, our reputation was strengthened. Our team, composed of strong-willed boys, realized that we wouldn't lose any more games. We wanted to please our coach, to put a smile on his face by winning the game against Irvington Tech, 4-3. The opponents almost beat us by 3-1, but a quick decision of our most valuable player, Jean, scored three more goals which closed the score 4-3 in our favor. We used our best ability to win the three last games.

Mr. Matthew J. Lombardi, Coach

This year, Central has been blessed with another fine basketball team. During the pre-seasoned polls, we were fortunate to be rated "No. 2" nationally and were also heralded to be a State basketball power.

The starters include Larry Faust, George Lowery, Bernie Brundidge, Mack (Rick) Key, and Arthur Lockett. Two good players were added to the squad this year. These are seniors Henry Carr and Gordon Hall. Returning from last year's squad are Jerry Stancil, Robby Long, and Mike Jones, who are all juniors. Rounding out this year's team were Tom Lowery, Wymond Griggs, and Dan Branch. The first game in the City decided who would be the kings of the City. We defeated a good West Side quintet at our home court. We gained two more triumphs before advancing to the ECCA Holiday Tournament. In this tournament, we were seeded No. 2, behind Boys' High of New York. In the championship game, we stayed with Boys' High in the first half, despite many turnovers. The second half Boys' High shot well enough to give the Blue Devils their first taste of defeat.

This year's basketball team has been hampered by the fact that they turned the ball over too many times. But with this handicap, we were still a club to be taken seriously. In Mack Key, we have a young man who is as fine a backcourt man as any in the land. Larry Faust, who has no peer on the court, is the best rebounder in the state. Arthur Lockett contributed to this squad the tremendous ability to hustle.

We won the City League Championship this year with a 11-1 record. Our only loss in the City League was to West Side at the latter's court. Central also ran into a good St. Benedict's quintet at St. Benedict's court, and lost.

The next step for the Blue Devils was the Essex County Tournament. In Essex County, we were seeded No. 2 behind undefeated Orange High. We encountered Immaculate Conception in the opening round. We broke 3 E.C.T. records in a row to a 91 point night. Next, we defeated Weequahic and East Orange, to meet Orange in the finals. The boys literally expressed their desire to win by outscoring Orange in each of the first 3 quarters. Mack Key and Larry Faust led the surge. Despite the 8-point lead, Orange came from behind to win a squeaker: 65-64.

However, Central - like true champions bounced back to trounce Bayonne at their court. Mack Key, Bernie Brundidge, and Art Lockett bid a second half surge, where we scored 50 points.

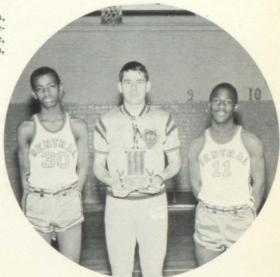

The State Tournament was our next stepping stone. We defeated East Orange and Weequahic, to meet Bloomfield in the North Jersey Group IV Section 2 Final. Larry Faust led the team's rally, and added another trophy to our trophy case. Neptune was our next victim in the semi-finals of the Group IV schools. Neptune, a scrappy ball club, would not give up and held off our rally to defeat us 83-81 in Atlantic City.

Next year, we should look forward to another formidable team. To our senior boys, we bid them a prosperous college education and the best of everything throughout their lives.

Central's "Baby Blue Devils" racked up 25 victories in a row and finished the season undefeated. Coach Cavan won his fourth Junior Varsity City Championship in as many years.

On March 1st, the Baby Blues defeated a much bigger East Orange team and won the Essex County Tournament Championship.

The JV's averaged 76 points per game to their opponents 43 points per game. The high-scoring Blue Devils went over the century mark twice, defeating West Side 108 to 40 and Vailsburg 102 to 33. They also scored over 90 points in eight other games.

This was the most successful team that Central has had on the JV level!

Central's swimming team is in good form this year. Here are some interesting details about our team members: Bruce Morgan: Captain, 2nd year; swims the 40-yd. sprint and butterfly. Lamont Spivey: Co-Captain, 2nd year; swims 10-yd. breast stroke; on relay team. Robert Mack: 1st year; swims individual race. Craig Bland: 1st year; one of our top men; swims 400-yd. free style and butterfly. William Brown: fine freestyle swimmer. Lucious Wilson: 1st year, swims next longest race, the 200-yd. freestyle. Harmed Sapp: 1st year, our fastest swimmer. Our other freestylers are William Green, Greg Herron, Floyd Coleman.

Cross Country

Mr. James Martin, Coach Mr. William Mallory, Assistant Coach

Under Coach James Martin and Assistant Coach William Mallory, Central's Track Team is expecting another fine season.

The team is large in number and size. The runners will be forced to carry a heavy burden because of the lack of experienced field men. The field men are practicing hard and improving with time. Whether they will be ready when the season officially starts, no one knows. Our outstanding field men are Cornelius Brown, Davis Shaw and Arthur Lockett.

The runners are all experienced. They will be led by Captains Mack Frazier and Lester Gillbert in the two-mile. Marion Pierce will try to repeat as city champ in the mile. Other outstanding runners are Kenneth Pierce, Bruce Chapman and Sylvester Waters,

Fencing

Mr. Joseph J. Williams, Coach

Our Fencing Team started only two years ago at Central, and this is one of the more popular new sports here. Fencing, like swimming, is a sport in which the individual shows his talent to think, evaluate, and react in a situation quickly and correctly.

Our team — with William Wilson, Larry Cooper, and Bruce Chapman — had a smoother performance in the second half of this season than when the season began. Such improvement was shown through our defeating Vailsburg and West Side and in our giving the top teams (Barringer and Weequahic) a tough time.

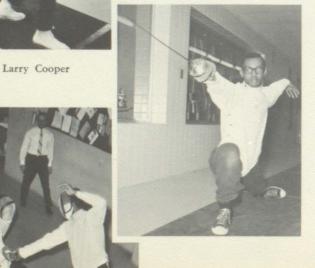

Our team has the potential to win the championship this year and next with our promising young JV, made up of Hector Munoz, Dennis Scott Bey, Lenwood Morgan, and Gary Chapman.

Wrestling

Mr. Peter Curry, Coach

Central's wrestling team had an active season in matches with Weequahic, West Side, Vailsburg, Barringer, Weehawken, and Red Bank Catholic High Schools.

This is the team's scoring lineup at the season's end:

	Wins	Losses
D. Jarmon (co-captain)	7	2
M. Henry	6	3
S. Waters (captain)	5	4
H. Sanders	1	7
T. Byers	1	2

We thank the team members, Seniors Captains Sylvester Waters, and Dexter Jarmon, together with Ted Byers, Harold Sanders, and Michael Henry. They are to be highly commended for their fine team performance — due only to the fine coaching of Mr. Peter O. Curry.

Four Long Years . . . A Class History

Four long years, it has been four years . . . four years of growing, learning, partying, and understanding our complex world.

The first year began that fateful September of '64. Remember?

Being a Freshman, new to the school! The building! The people!

Remember . . . how the upper-classmen sold you elevator passes . . . You . . . trying to use them on the elevator, only to discover that it wasn't a pass and you couldn't use the elevator!

Remember our champion Basketball Team . . . City, County and State? First time of meeting Mr. Hampton and Mr. Brown in the gym. Ah . . . all the good times and noise in the cafeteria. What a year!

And then — Sophmores.

Trying to rule the Freshman (at least, we thought we did.) To some of us, it was the awakening to participating in the activities of the school.

Then, Juniors:

Selling noise to the seniors. Thinking we really ruled the school. Meeting hard teachers and some easy. Listening and joining in with the laughing in the hallways with the "loud and comical" Seniors.

And then, June came! The Seniors officially turned the school over to us. At last,

our day had come. Seniors we were at long last! After three long years.

The heartaches of paying class dues, ring payments, saving for the Prom at The Manor. The election: choosing class officers. A winter Dance with the election of "King Harold Sanders" and "Queen Priscilla Wilson." A winning team — after two years. The traditional blue tie of Mattie. The winning of City and Section II Championship — a JV City and Essex County Championship with Doc Cabinet . . . The coming of a new coach, "Bill" Mallory with his indeterminable football team . . . the thrill of beating Barringer and stopping South Side . . . A Victory Dance in honor of our Basketball Team.

The receiving of our diplomas . . . for June is here, and we — in cap and gown — march across the stage, holding the key: that diploma is the key to our destiny, whether we choose to make good on it or not.

That is the final step for some of us . . . the accepting of society, working for a better tomorrow . . . working today for a living for ourselves or for our families. Others of us will go on to other institutions of learning for an additional four to eights years, to receive a second diploma — and then — we will face our turn in society's stream.

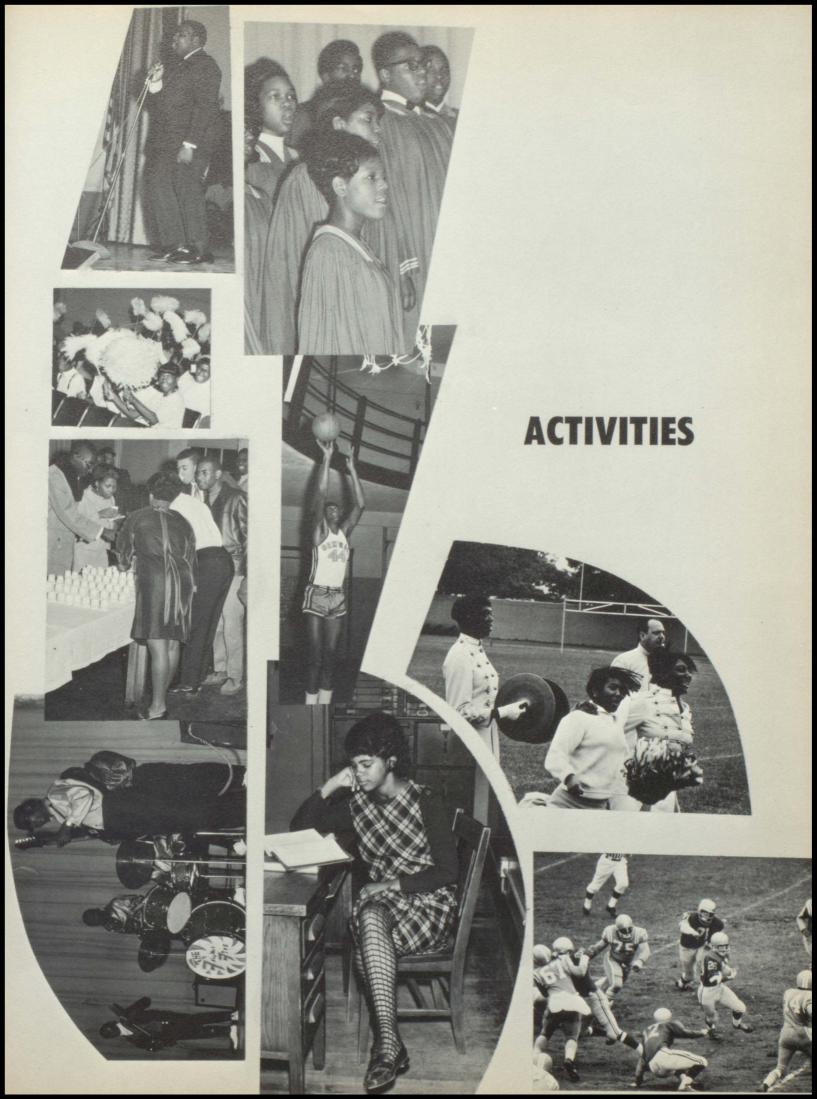

No matter what we do, let us — Class of 1968 — pay our homage, first, to our parents and relatives who have sacrificed and given of their time, effort, money,

understanding, and love to help us achieve what we now have.

Second, to our teachers who gave us good guidance and knowledge so greatly needed so that some of us might be planners of the Complex Pyramid; others builders of it. To them, we, the Class of '68, say "thank you" for we so appreciate your helping us. Lastly, we give our thanks to Central High for those four unforgetable years of learning, fun . . . for really showing us our true path in society.

Thus, we — The Class of '68 of Central High School — say "farewell for eternity" and "thank you", our parents, relatives, teachers, and — most of all Central.

Farewell

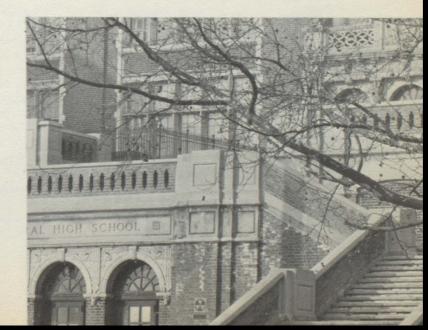

There's a time to play — a time to work;
A time for wars — a time for peace;
A time to dream — a time to plan.

And now's the time for us to enter the world — with maturity of thought and wisdom of action.

Now's our time to say farewell.
